(Authors: Kgd. Marcus Julius L. Herrera and Kgd. Jose A. Jumangit, Jr.)

"WHEREAS, under Expanded Senior Citizens Act of 2010 (Republic Act No. 9994) it provides additional benefits to Senior Citizens;

"WHEREAS, under Section 2 of said law it defines senior citizen as:

"[a] Senior citizen or elderly refers to any resident citizen of the Philippines at least sixty (60) years old;"

"WHEREAS, particularly under Section 4 of said law as amended paragraph C it provides that:

"[c] the grant of a minimum of five percent (5%) discount relative to the monthly utilization of water and electricity supplied by public utilities: *Provided*, That the individual meters for the foregoing utilities are registered in the name of senior citizen residing therein: *Provided, further*, that the monthly consumption does not exceed one hundred kilowatt hours (100 kwh) of electricity and thirty cubic meters (30 m3) of water: *Provided, furthermore*, That the privilege is granted per household regardless of the number of senior citizens residing therein;

"WHEREAS, the Municipality of Calape recognizes the need for the implementation of these benefits in recognition of the contributions that its senior citizen residents have rendered to the municipality, the strict implementation of said law would help the senior citizens;

"WHEREAS, other than the aforementioned law, Sections 16 and 17 of Republic Act 7160 mandates local government units to exercise powers needed in the fulfillment of its social responsibilities, it is now ripe and imperative to implement the same;

"WHEREAS, under Republic Act No. 11659 dated March 21, 2022, it redefines Public Utilities which limit it to essential services such as electricity distribution, water distribution, and sewage system;

"WHEREAS, LGU Calape is engaged in the production of water and water distribution;

"WHEREAS, it is now ripe and imperative to implement the benefits as above mentioned;

"NOW, THEREFORE, in consideration of the foregoing, be it resolved, as it is hereby resolved by the Sangguniang Bayan of Calape, to implement immediately five percent (5%) discount relative to the monthly utilization of water by Senior Citizens but not to exceed thirty cubic meters (30 m3) of water;

"RESOLVED FURTHER, that said benefits shall be granted to Registered Senior Citizens per household regardless of the number of senior citizens;

"RESOLVED FURTHERMORE, that in order to have a smooth implementation of this resolution, it is highly and respectfully requested that the Head, Office of Senior Citizen Affairs, Municipal Accountant, and Municipal Social Welfare and Development Officer shall closely coordinate each other as to the listing of the qualified senior citizens who have existing water connection and that the same listing shall be updated quarterly;

"RESLOVED STILL FURTHERMORE, that upon approval of this resolution, the benefits granted under the afore-cited law (RA No. 9994) particularly the water discount shall be implemented without much delay and be an addition to the discounts granted by the local water distributor such as the early pay discount promotion;

"RESOLVED STILL FURTHERMORE, that this resolution is not intended as encroachment of executive power and authority but rather as an aid for implementation of applicable laws and realization of social responsibility of this Local Government;

"RESOLVED FINALLY, to furnish copy hereof the Office of the Mayor, Office of Calape Waterworks System, Office of Municipal Treasurer, Office of Municipal Accountant, Office of Senior Citizen Affairs, and Office of Municipal Social Welfare and Development, all of this municipality, for their information and appropriate action;
